

## PRODUCT LIST

### ► ENCLOSURES AND CONTROL PANEL HARDWARE

- Climate Control
- Din Rail
- Enclosures
- Equipment and Component Labels
- Fans
- Mounting Hardware
- Venting
- Wire & Cable Entries

### ► ELECTRICAL CONTROL AND MEASUREMENT

- Battery Chargers
- Buffer Modules
- Contactors
- Current & Voltage Transducers
- Filters (EMI, Harmonics, dv/dt, Sinewave)
- Fuses & Circuit Breakers (eBreakers)
- Ground Fault Sensors
- Inverters
- Line Reactors
- PDU
- Power Supplies (AC/DC, DC/DC, DC/AC)
- Transformers
- UPS Systems
- VFD (Frequency Converter)

### ► INDUSTRIAL COMMUNICATIONS AND SIGNAL CONDITIONING

- Cellular Routers and Wireless
- Controllers and Industrial PC's
- Displays & Touch Screens
- Ethernet I/O
- HMI & Keyboards
- Loop & Process Signals
- Media Converters
- Network Switches and Ethernet Gateways
- Remote I/O
- Temperature Controller

### ► SENSORS AND TRANSDUCERS

- Capacitive
- Inductive
- Machine Safety (coded magnetic sensors)
- Magnetic Proximity Sensors
- Mercury Tilt Switches
- Photoelectric
- Reed Relays (Reed Switch)
- RFID
- Ultrasonic

### ► SWITCHES AND RELAYS

- Cam Switches
- Capacitive Switches
- Contactors
- Disconnect Switches
- E-stops
- Limit Switches
- Optical Switches (Non-Contact)
- Pushbuttons
- Relays

### ► TERMINALS AND CONNECTORS

- Barrier Strips (euro strip)
- Connectors
- Power Tapping Blocks
- Terminal Blocks
- Wire Termination

### ► WIRE AND CABLE MANAGEMENT

- Cable Assemblies and Power Whips
- Cable Bridges
- Cable Glands & Cord Grips
- Conduit & Cable Tray
- Electrical Raceway & Wire Duct
- Fiber Optic Cables
- Network Cables (Structured Cabling)
- Wire Tray (Basket Tray)

Measurement & Control Solutions, LLC

[www.block.eu](http://www.block.eu)

AC Power Quality Components with Worldwide Approvals. Manufacturer of Transformers, Power Supplies, Circuit Breakers, Reactors, and EMI Filters.

Remote Data, Ethernet, and I/O Connectivity Devices for Industrial Communications and Monitoring.

[www.celduc.com](http://www.celduc.com)

Experts in Solid State Relays and Magnetic Sensors for Industrial Applications.

[www.conta-clip.com](http://www.conta-clip.com)

Manufacturer of DIN Rail Terminal Blocks, Relays, and Cable Entry Systems.

[www.ensto.com](http://www.ensto.com)

Development and Manufacturing of Non-Metallic Enclosures and Electrical System Components.

GETT.AMERICA

[www.gett-na.com](http://www.gett-na.com)

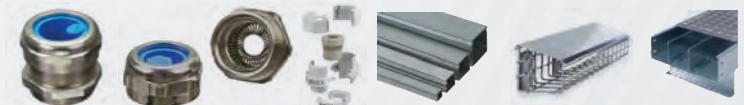

Human Machine Interfaces, Touch Panels, Keyboards, Capacitive, and Optical Switches for Industrial Applications.

Passion for the best solution

[www.pflitsch.de](http://www.pflitsch.de)

Industrial Cable Management - Sealing, Routing and Protection of Cables. Wide variety of Cable Glands, and Cable Trays.

**Premium**  
Powering Your Challenge

[www.premiumpsu.com](http://www.premiumpsu.com)

Specialists in Design and Manufacturing of Power Conversion Systems from 50W to 60kW for the Industrial Market. DC/DC Converters, DC/AC Inverters, UPS, Battery Chargers, and Frequency Conversion.

Industrial sensor manufacturer offering a wide range of high precision detection solutions for automation and OEM applications. Their product line includes photoelectric, ultrasonic, laser, fiber optic sensors, and light curtains.

FORTSCHRITT SEIT 1897
